Mid Range

Get professional laser printing, faxing, copying and colour scanning in the smallest possible space. The compact and stylish imageCLASS D1150 is easy to use and ultra efficient. Providing maximum productivity for a minimum investment

Output speed is 30 pages per minute for printing and copying and with built in duplexing for easy double sided prints and copies; you'll save both time and money. A 1200 x 600dpi enhanced print resolution delivers professional laser quality printing. With the D1150 you'll benefit from both speed and quality without compromise. Give your business the competitive edge.

## Key Features

### All-in-One cartridges Toner Cartridges

- The D1150 utilises a drum cartridge in which an "Intermediate Transfer Unit", "Photosensitive Drum", and "Waste Toner Container" that are normally individual consumables, are all combined, meaning less consumables to stock, less fuss and high reliability.

### Low Power Consumption and Quick Start Up

- By adopting Canon's unique On-Demand Fixing System, the D1150 achieves low power consumption of less than 3 watts in standby and quick start-up, with first page out in less than 8 seconds. This enables instantaneous heating of the fusing heater only before printing, saving warm-up time. The D1150 is always ready to print - saving you time and money.

### As a Laser Printer

- Up to 30 pages per minute<sup>1</sup> with 8 seconds to first print
- 600 x 600 dpi laser print resolution (enhanced to 1200 x 600 dpi by exclusive smoothing technology).
- 128MB Memory
- Auto duplex for easy double sided printing

### As a Fax Machine

- 33.6 Kbps Super G3 fax - up to 3 seconds per page<sup>3</sup> fax transmission.
- Huge fax memory of up to 256 pages<sup>3</sup> to ensure there are no lost messages.
- 50-page Automatic Document Feeder for fast, unattended copying and faxing.

### As a Scanner

- Up to 600 x 1200 dpi (optical) and 9600 x 9600 dpi (interpolated) colour scanning resolution for sharp images
- Auto duplex for easy double sided scanning

### As a Copier

- 30 copies per minute makes up to 99 copies at a time
- Reduction/enlargement ranges of 50% to 200%;
