Scan your A4 colour documents.

### Versatile and professional

With high speed printing and copying of up to 28 pages per minute, the Brother MFC-8370DN produces professional documents fast. Save time by printing directly from or scanning to a USB Flash Memory Drive. Simply connect the MFC-8370DN to your existing network to share its resources across the office. The 'Scan to Email' and 'Scan to Network' functions further increase productivity.

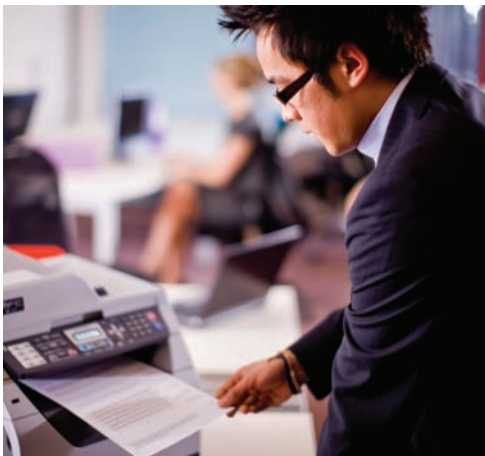

### Value for money

The MFC-8370DN is designed to keep all costs to a minimum. Significantly reduce paper consumption with automatic duplex printing or the N-in-1 function (printing multiple pages onto just one sheet). Using Toner Save Mode or an optional high-yield toner can further reduce your running costs. The toner and drum are separate meaning you can replace them individually which saves you money.

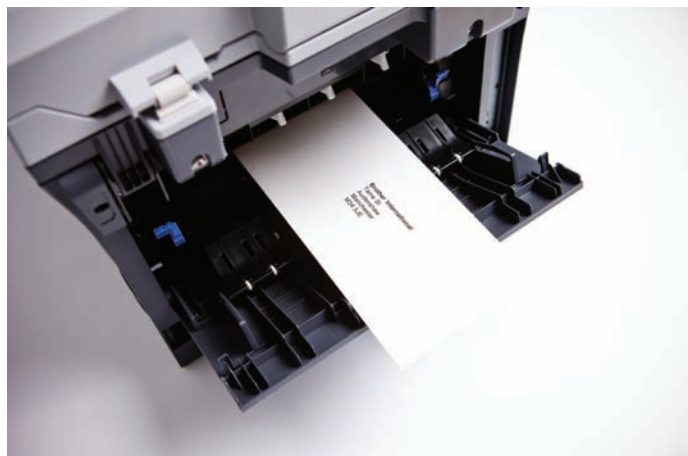

The MFC-8370DN's energy efficiency has been ENERGY STAR-certified.

### Easy to use

The 20-sheet ADF makes handling multipage documents a swift task, and printing on special media such as envelopes, labels or transparencies is easily done with the multipurpose tray. Create a professional booklet (printing four pages per double-sided sheet and folding it in the middle) conveniently in your office simply by choosing the option in the MFC-8370DN's driver. Print confidential documents safely with the Secure Print function. The BRAdmin software (downloadable free of charge from Brother's Solutions Centre website) allows you to easily centralise the management of all Brother printing devices in your entire organisation.

Create an instant impact  
- with quick 28ppm A4 printing.

Swift and easy - printing on thick paper or envelopes.

# MFC-8370DN

# MFC-8370DN Compact High Speed Mono Multi-function Centre® with Network and Automatic Duplex Print

Fast, compact and user-friendly, this mono laser multi-function centre offers excellent value for money and a wide range of features to create professional office documents.

Brother's impressive MFC-8370DN offers fast print and copy speeds of up to 28 pages per minute, cost-saving automatic duplex printing and network connectivity that is easy to set up and use.

The MFC-8370DN is packed with convenient features. Printing on special media such as envelopes is simple with the 50-sheet multipurpose tray using the Straight Paper Path. The 20-sheet ADF enables speedy, unattended copying and faxing of multipage documents. The main paper tray holds 250 sheets so you have to refill it less frequently.

Create professional booklets (printing four pages per double-sided sheet and folding the document in the middle) in-house or add a watermark to your printout by simply using the printer driver.

Numerous user-friendly scanning options such as Scan to USB Flash Memory Drive, Email, Network or FTP make for efficient document management. You can easily reduce paper consumption with automatic duplex printing or the N-in-1 function which allows multiple pages to be printed onto one sheet.

Cut your printing costs further with the optional high-yield toner, a cost-effective separate toner and long-life drum solution, and ENERGY STAR-certified energy efficiency.
