

# WD TV<sup>®</sup> Live Hub<sup>™</sup> Media Center

**Bring your digital life  
to your big screen**

Centralize your media and play it on any screen

Access Internet favorites and stream movies

Full-HD 1080p playback and navigation

Whether it's your own videos, music, and photos or Internet entertainment, you can play it all in the comfort of your living room in brilliant high-definition. Put your personal media on the high-capacity, built-in network hard drive and stream it to any screen in the house.

PUT YOUR LIFE ON IT<sup>®</sup>

# WD TV Live Hub

## Media Center

### Product Features

#### Centralize your media collection

Store all your media in one place on the high-capacity drive. Enjoy your home movies, share vacation slideshows, and play your music on the big screen and sound system in your living room.

#### Access media anywhere on your home network

The Ethernet port lets you connect this media player to your home network so you can access and stream video, photos, and music from any Mac®, PC, and network drive in your house.

#### Full-HD 1080p video playback

Sit back and enjoy the spectacular picture quality of brilliant high definition video and the crystal-clear sound of digital audio.

#### Stream media to any TV in your house

You can stream your media on the WD TV Live Hub media center to a WD TV Live™ media player or any DLNA/UPnP compatible TV, Blu-ray Disc™ player, or game console.

#### Watch popular movies and TV episodes instantly

Choose from over 10,000 titles from Blockbuster On Demand® or access your Netflix® unlimited membership and watch TV episodes and movies on your big screen.\*

\*Blockbuster online membership or Netflix unlimited membership required. US only.

#### Access popular Internet content from your living room

Play YouTube videos, access Facebook, see your photos on Flickr, play music on Pandora, and watch daily video podcasts from CNN, NBC, MTV, ESPN, and other online content.\*\*

\*\*Availability varies by country. Pandora available in US only. These streaming services may be changed, terminated or interrupted at any time.

#### Play virtually any media file

WD TV Live Hub supports a wide variety of the most popular file formats including HD camcorder video formats. No need to spend time transcoding.

#### Media formats

AVI (Xvid, AVC, MPEG1/2/4), MPG/MPEG, VOB, MKV (H.264, x.264, AVC, MPEG1/2/4, VC-1), TS/TP/M2T (MPEG1/2/4, AVC, VC-1), MP4/MOV (MPEG4, h.264), M2TS, WMV9
