3  
YEAR  
WARRANTY

UP TO  
6TB

## Network Storage Solution

Add more storage space to your office's network for sharing important files, backing up critical data, and archiving your folders with the LaCie Ethernet Disk. Just use the Gigabit Ethernet interface to grant network accessible storage to any computer on your network.

## Powerful and Expandable

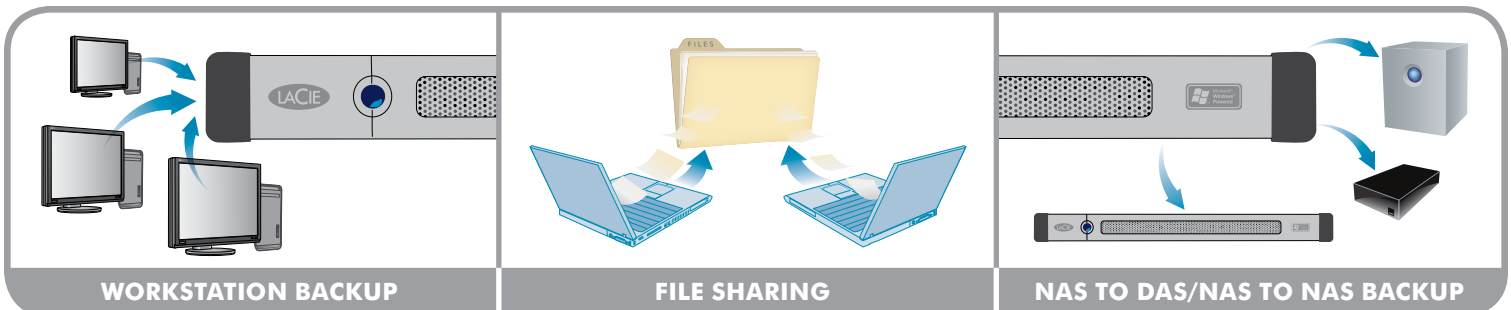

If your department, independent agency, franchise, or office team is experiencing growing storage needs, the LaCie Ethernet Disk offers a perfect shared hard drive solution. When the maximum native capacity of the Ethernet Disk is reached, use the Hi-Speed USB 2.0 ports to extend capacity or back up to external USB drives. Designed by Neil Poulton, the LaCie Ethernet Disk is powered by field-proven Windows XP, making it the best choice for file-serving or backup.

## Comprehensive Data Protection

The LaCie Ethernet Disk is Apple® Time Machine compatible and comes with Intego Backup Manager Pro™ (for Mac users) and Genie Backup Manager Pro™ (for Windows users). Both programs provide computer recovery for your workstation. In addition, the LaCie Ethernet Disk also features a built-in engine ensuring local data is backed up either over the network to another Network Attached Storage device, or locally to a Direct Attached Storage device, connectable through four Hi-Speed USB expansion ports.

## File Sharing Made Easy

Featuring advanced file sharing technology, the LaCie Ethernet Disk allows users to share files between any workstations logged on to the network. It supports the majority of business operating systems, like Windows, Macintosh, Linux, and Unix. By supporting up to 25 simultaneous Active Directory users, it drastically reduces the complexity of file sharing and offers a user-friendly technical solution.

- Share/back up over a network and archive files
- Web-based management tool in multiple languages

- Expand capacity with additional USB drives
- Windows, Mac, Linux, and UNIX compatible

## Box Content

- LaCie Ethernet Disk
- CD including LaCie Network Assistant and User Manual
- LaCie feet for stand-alone use
- Ethernet cable
- Power supply

## System Requirements

### Network:

- Auto-sensing 10/100/1000 Base-T
- SMB (Windows), AFP v3.1 (Mac), FTP, HTTP
- DHCP auto-IP assignment
- Apple Bonjour protocol
- Microsoft Active Directory
- Kerberos Authentication v5.0
- DNS, WINS
- File Level Security (ACLs)
- Network Logon

### Client Types:

- Microsoft Windows® 98SE, Windows 2000, Windows Me, Windows XP, Windows Vista™
- Mac® OS 9\*\*, Mac OS X
- Linux 2.4 and higher; UNIX

### Web Browser:

- Microsoft® Internet Explorer
- Mozilla Firefox
- Apple Safari™

## Features

- Powered by Windows XP® Embedded
- Active Directory support to join a Windows Domain
- Access control: share, groups, and user privileges
- Remote data access via the Web – HTTP or FTP
- Four USB 2.0 ports for backup on external drives or capacity expansion
- Firewall to protect your data
- LaCie Network Assistant for automatic drive mapping and configuration
- Slender, aluminum rackable design

## Performance

- File reading performance: up to 30MB/s
- File writing performance: up to 19MB/s

## Backup Capabilities

- Windows workstation backup with Genie Backup Assistant
- Mac workstation backup with Intego Backup Assistant (or through Time Machine)
- Computer Recovery helps to restore workstation to its original state
- To Direct Attached Storage via USB or Network Attached Storage

### LaCie Ethernet Disk

Item Number	301298	301300	301444
Capacity*	2TB	4TB	6TB
Interface	1 x Gigabit Ethernet 10/100/1000 Mbps/s		
Network Protocols	SMB (Windows), AFP (Mac), FTP, HTTP, Bonjour, and LaCie Network Assistant for Mac and PC		
OS	Windows XP® Embedded		
Expansion Ports	4 x USB 2.0; 1 x VGA; 1 x mouse port, 1 x keyboard port		
Device Management	Locally through dedicated interface or Web-based option		
Processor/RAM	VIA C7 1GHz / 256MB DDR RAM or greater		
Users	Supports up to 25 simultaneous		
Data Protection	Built-in backup engine for backup to external DAS or NAS Genie Backup Manager Pro software with computer recovery for Windows 2000, XP Vista Intego Backup Manager Pro software with computer recovery for Mac OS X 10.4		
Rackmount Rail Kit	Optional		
Weight	20.6 lb / 9350 g		
Dimensions (WxHxD)	16.9 x 1.77 x 16.9 in / 430 x 45 x 430 mm		
Warranty	3-year limited		

1TB (Terabyte) = 1000GB. 1GB = 1,000,000,000 bytes. Total accessible capacity varies depending upon operating environment (typically 10–15% less).

\*\*Not compatible with Mac OS 9 in all double-byte character languages.
