Wireless-N 300 Router
WNR2000v2

Data Sheet

N300

2.4 GHz

Push 'N' Connect

Live Parental Controls

Secure, high-speed Internet connection

- NETGEAR Live Parental Controls keeps your internet experience safe by blocking inappropriate Internet content
- Broadband Usage Meter provides internet traffic monitor and usage alerts
- Push 'N' Connect securely connects devices at the touch of a button
- Automatic Quality of Service (QoS) for reliable Internet, video, voice, and gaming

Features

- Live Parental Controls, powered by OpenDNS™

  – Blocks unsafe Internet content and applications
  – Customize settings through Web browser, accessible remotely
  – Protects connected devices through the router such as PCs, gaming consoles, and iPod touch®
  – And it's FREE! See CD inside for installation
  – To learn more visit www.netgear.com/lpc

- Smart Wizard® installation CD and multi-language support make setup easy

- Push 'N' Connect using Wi-Fi Protected Setup™ (WPS) allows you to add computers to the network quickly and securely[1]

STEP 1
Follow steps of the NETGEAR Smart Wizard wireless connection utility

STEP 2
Push the Push 'N' Connect button on your router

STEP 3
Connect securely

- Configurable as a wireless repeater to extend range
