

## DVR4-Pro-Net™

### Networkable 4 Channel DVR

Your home, office & business safety net!

**160GB HDD included**

**Swann BONUS**

4 Security Warning Stickers in this pack

**High Quality yet Unbeatable Value!**

- Networkable DVR for remote viewing over the web
- Set & forget with pre-installed, 160GB hard drive
- State of the art features including motion detection, alerts, on-screen programming
- Nannycam, monitor office, oversee yard, deter thieves & more
- High resolution MPEG4 switchable to MJPEG video format

#### MPEG4/MJPEG DVR Technology

- Compression format providing crystal clear images with real time performance

#### Multiplex

- Allow live display, record, playback, backup and network operation at the same time

#### Long-Recording Hours

- 500GB HDD can record more than 170 days (4CH, CIF Best Quality, 15IPS)

#### Backup Function

- Support network remote recording & backup

#### Remote Surveillance

- Remote surveillance with the licensed software AP and IE browser
- Web surveillance with 5 users simultaneously

#### Intelligent Motion Trigger Recording

- With advanced settings for motion detection, scheduled motion detection recording (4 different adjustable factors for the motion detection sensitivity) and convenient search function, customized security environment is achieved
- Alarm triggered recording will send alerts with images to the designated e-mails and FTP address
- Support pre-alarm recording (8Mb)

#### Covert Recording

- A mask replaces the live image with a blank screen, and the monitor shows nothing but recording is still on

#### AV Support

- Support 1 audio-in, 1 audio-out to record sounds
- Support VGA converter (optional)

#### General

- Support multi-language OSD
- System auto recovery after power reconnected
- Support daylight-saving function
- Support manual / timer / motion / alarm / remote recording functions
- Watermark function ensures authentication of the recorded images
- Support TCP/IP, PPPoE, DHCP and DDNS network connection

**Plugs into your TV**

**BNC to RCA Adapter**

Plugs into a DVR or Quad Processor

**4x**
