Robust 16,4" Notebook backpack with wind and weather protection

The robust "BacPac Xtreme" is the storage specialist among Notebook backpacks. Its numerous compartments and pockets do not only keep the Notebook safe, but also carry substantial amounts of accessories and other utilities. Special feature: A detachable cape and water-repellent, outer material protect the contents of the backpack from extreme weather conditions! The lockable and padded Notebook compartment on the backpack's back side ensures effective protection and guarantees perfect weight distribution. The large, two-part main compartment can pack mobile equipment such as mice or power supply units as well as documents and even sizable folders. The integrated workstation takes care of cell phone, pens, keys and more. An MP3/CD player or iPod can be stowed away in the multimedia pouch on the top side that is equipped with a special cable opening for head phones, turning music on the go into true listening pleasure.

„Hot" or „Cool": one of the two side pockets is designed as a cooler - this way, your drinks stay „cool" or your tea stays „hot". Personal items are within reach in the attached mesh pockets.

BacPac Xtreme features especially soft, ergonomically formed shoulder straps and breathable back padding. The adjustable chest strap and the hip strap ensure a safe hold and outstanding wearing comfort. BacPac Xtreme is available in the colors black and grey.
