EXPERIENCE THE SONIM XP3™ QUEST:

Built For Life in the big city, off-road, the back country, and the world's waterways; the Sonim XP3 Quest was designed and engineered in response to our customers' requests for a rugged phone that fuses first-class features with Sonim's renowned premium rugged construction and durability.

The Sonim XP3 Quest boasts extended "Battery life" (up to 18 hours of talk and 1500 hours of standby) and includes, among other capabilities, an GPS, LED torch, 2MP camera, and a Sonim bundled application suite.

This newest member of Sonim's best-selling line of super-rugged phones fully supports Sonim's mission to provide rock-solid reliable lifelines for people who work and/or play in extreme environments. The Sonim XP3 Quest is water submersible (IP-67 rated) and MIL-810F certified for its resistance to extreme environmental conditions. And of course it's backed by Sonim's industry-leading 3-Year Unconditional Guarantee.
