

# ZiiSound T6

## Premium Wireless Speaker System with Surround Sound for Music, Movies and Gaming

With its Swivel-Speaker-Array, the ZiiSound T6 gives you the most compelling music, movies and gaming experience with high quality wireless audio and surround sound. Pair it with any compatible Bluetooth® device or simply use the bundled BT-D1 USB Transmitter for an instant Bluetooth connection. Enjoy 5.1 movie or game soundtrack via a USB connection to your PC, Netbook or Notebook, while the SLAM™ subwoofer with its 3 drivers-design, delivers excellent dynamics for deep, tight bass. For total convenience, the ZiiSound T6 also comes with a wired volume control pod, AUX-In and headphone connector.

- Works with all compatible stereo Bluetooth devices
- Fast and easy connection via the included Bluetooth® USB transmitter BT-D1
- Superior Bluetooth wireless stereo with apt-X codec
- Enjoy 5.1 movie or game soundtracks when you connect via USB to a PC, Netbook or Notebook!\*
- Swivel-Speaker-Array for Surround Sound
- Creative SLAM™ Subwoofer for deep tight bass
- IR remote for improved convenience and control
- Aux-in and line-up for added connectivity

\*5.1 decoder software required
