DVR4-Business Surveillance Kit

2 CCTV Cameras & Recording Solution

An easy way to keep your business, office & home secure

The DVR4-Business Surveillance Kit is an affordable do-it-yourself (DIY) safety and security solution. You won't believe how versatile this pack is. Cover every angle, indoors, outdoors, day and night with a twin pack of Swann OutdoorCams, one of the world's best selling security cameras. Once mounted, connect the cameras to the new, compact Swann DVR4-Business to monitor and record what the cameras see. With motion detection, a built-in 160GB hard drive, password protection and touch button navigation it has all the features you need to safeguard your business or home 24/7. Everything you need in one box!

Note: Single adapter powers both cameras and the DVR.

Note: For best results slowly guide hard drive tray into position
